

## **REMARKS**

Claims 115, 121, 122, 125 and 126 are canceled. Claims 127-129 are added. Claims 76-88, 92-103, 108-114, 116-120, and 127-129 are in the application.

The undersigned notes that the "Office Action Summary" sheet of the May 3, 2006 Office does not indicate that claims 76 and 92-94 are in the application. Such claims are in the application, and have been indicated to be allowed or allowable in paragraph 43 in the Examiner's action. It is respectfully requested that the next Office Action Summary or Notice of Allowance indicate that claims 76 and 92-94 are in the application as well as the other claims identified in the immediately preceding paragraph.

Claims 121, 122, 125 and 126 are canceled without prejudice or without agreeing to the propriety of the Examiner's last action. New claims 127-129 are patterned after claims 76, 92, and 95, respectively, and should be allowed. Action to that end is requested.

The undersigned notes that there was never a claim 115 in the application, due to mis-numbering in the Office Action Response filed on August 22, 2005. Claim 115 has been indicated as being "canceled" herein.

This application is believed to be in immediate condition for allowance.
